## EXECUTIVE OFFICE OF THE PRESIDENT OFFICE OF SCIENCE AND TECHNOLOGY POLICY

WASHINGTON, D.C. 20500

March 28, 1983

Dear John,

A short but very personal note of appreciation for who just completed a year's detail at OSTP. Jim not only possessed the high technicial skills that one might expect, but provided the office with a rare degree of insight and judgement. In particular he gave me a much better understanding of the workings and value of the intelligence process. He was a major contributor, and it was a most successful tour.

With best regards.

Sincerely,

Victor H. Reis Assistant Director

Mr. John McMahon Deputy Director Central Intelligence Agency
